

## Aquarius Artist Statement

### **Our name:**

The name, "Aquarius" connects our tribe, to our tribe's morals. We as a group came together, and almost immediately decided that we wanted our tribe to be peaceful, and make the world a better place. We are focused on making our utopia a place with no war or conflict, and equality between the three things that make up our earth: people, animals, and nature. We chose the name, "Aquarius" because we found that the traits given to those born under this specific zodiac symbol were almost exactly the values that we have as a tribe. When we researched the exact meaning behind the term, this is what we found:

"Aquarius - The Water Bearer

January 20 - February 18

Often simple and unassuming, the Aquarian goes about accomplishing goals in a quiet, often unorthodox ways. Although their methods may be unorthodox, the results for achievement are surprisingly effective. Aquarian's will take up any cause, and are humanitarians of the zodiac. They are honest, loyal and highly intelligent. They are also easy going and make natural friendships. If not kept in check, the Aquarian can be prone to sloth and laziness. However, they know this about themselves, and try their best to motivate themselves to action. They are also prone to philosophical thoughts, and are often quite artistic and poetic."

Although there are some negative sides to it, we found that they are all simple things that we can relate to, and overcome easily. We all agree that this is what we want for our tribe, and hope that we can follow through with our goals.

### **Our Motto:**

"We're breakin' free" Is a motto that we chose because we think that in order to allow nature to guide us, and become familiar with it to the point where we can understand the flow of nature, we need to free ourselves from all of our attachments and distractions, and let ourselves become one with the natural world.

In conclusion,

*We're soaring, flying. There's not a star in heaven that we can't reach, if we're trying, so we're breaking free.*
